Dare to be a great novelist...

## "Yes, You Can Be The One In A Million Who Gets A Big Book Contract"

**Discover the insider secrets you MUST know if you want to see your novel selling in bookstores across the country.**

Just as a brilliant invention can turn a "nobody" into a successful millionaire, so can your story idea turn you into a successful book author. If you invest in your novel writing dream today, you'll enjoy the triumph of turning that dream into reality in the near future.

If you wait though...

Think about this: I once spoke to a writer who'd had an idea for a young adult series for many years. The idea was about a school for witches. Sound familiar to you? Does the name Harry Potter ring any bells?

True story.

You can be a successful novelist because the Novel Writing Made Easy System will reveal to you, in detail, a writing process that WORKS.

What I want you to do is this:
