

The Flexible Periodization Method

More Details

The screenshot shows a website header with the title "The Flexible Periodization Method" in large, bold, yellow and white letters. To the right is a bar chart with five bars of increasing height, each topped with a lightning bolt icon. Below the header is a navigation bar with "Home", "Register", and "Login" links. A red text prompt asks, "Do you train athletes or clients who can benefit from TRULY individualized training programs?". The main content area features three yellow boxes: "sequence", "MAXIMIZING results", and "PROVEN 9-Step". A testimonial box with a red border contains the following text: "After reading a few books on the subject and browsing the internet I came across your book, which seemed to collaborate the majority of periodization ideas out there. After reading the first 2 sections I can say the book is truly helpful and full of exceptional ideas. I can see myself using a lot of the strategies in preparation for my own clients." Below the testimonial is the name and credentials of Andy Thirkens: "Andy Thirkens, BA Psychology, KFF, KBL, RKC (Kettlebell specialist), All American (University of Tennessee, Swimming), Former International Swimmer (Great Britain)". At the bottom is a red button with white text and arrows: "Click Link Below".
