Special Report: How To Put The “Special Sauce” Into Your Bass Playing

The first time I ever picked up a bass guitar, a big grin slid instantly across my face... I’m sure you can probably relate to that feeling - just loving that deep, rich tone of a great sounding bass.

But you know what? That day when I first played the bass, *I sucked*.

Now, to be fair, I already knew how to play guitar fairly well, so I at least knew where the notes were... but most of the songs I played ended up sounding remarkably the same.

I honestly remember being **surprised** that I couldn’t play the bass well, considering I knew how to play guitar already! I figured it should be easy as falling off a log...

You see, I had no idea what to play other than the root note of the chord...

Shortly after, someone showed me the **theory** that my bass r
