

Build A Container Home - Turn Your Dream Into Reality

"The most comprehensive and up to date construction guide available!"

"Who Else Wants Simple Step-By-Step Plans To Design And Build A Container Home From Scratch?"

When it comes to building a home from a shipping container there are many things you must consider. You've probably already searched various websites for guidance however many of the other Online guides miss out several very important steps.

You see, **safety is a huge factor** when building a container home. I mean, you're probably going to have friends and family living in your container at some point!

And that's why you need to follow a guide you can trust. Not some dodgy You Tube video.
