Real World Treasure Hunting Presents The Ultimate Guide to Finding Lost Treasure The Art and Science of Metal Detecting for a Living

THIS BOOK IS INTENDED FOR THE MORE SERIOUS MINDED AND INTREPID TREASURE HUNTER

Although beginners could not have hit upon anything better to start their adventure, this Book is intended for the more serious minded and intrepid individuals who would consider treasure hunting as a career and not just as a hobby.

The information contained in this book has been closely guarded and a well kept secret for as long as anyone can remember.

This is *real world* information for *real world treasure hunters* who want to discover for themselves the real possibilities of finding riches and hidden wealth.

This is not some ebook pamphlet of mindless drivel telling you about how to fill in the holes you dig and how to pack a picnic lunch. *This is the real deal!*

This is the true grit of all the Click Link Below bds of actually how to go
