

More powerful than any English writing course...
Better than any online writing lessons...

My mom
downloaded
it from the
internet

Parents are downloading it like crazy... Every teacher wants a copy... Students try to get their hands on it... Language experts are kicking themselves... "Why haven't we thought of this earlier?"

I strongly recommend Super Amazing Essays to anyone who wants to improve their English. I have used it with my students and seen real improvements in their English within 30 days.

Learn From The Mistakes of Other Students

In many families, ~~the~~ parents have laid out (Laid out means to plan in advance) specific plans for their children's lives and careers. As for me, my parents didn't have specific plans for me, ~~but~~ although (although is better than but) they ~~did~~ have some expectations for my future since I was young. They ~~would like~~ envisioned ("envision" means to try to imagine and see into the future) me working ~~to get a job~~ in the civil service, ("Civil service" means working for the government) ~~government~~ or as a teacher. In my parents' mind ("Mind" refers to their thoughts) ~~point-of-view~~, they thought the best choice for my future career is ~~a job~~ one with a ~~steady~~ stable salary. ("Stable" means always the same, no ups and downs)

Now, I am an (elementary school teacher). You might think that I have lived up to ("live up to" means "not to disappoint") ~~followed~~ my parents' expectations somehow.; However, ~~nothing could be further from the truth~~ ("Further from the truth" means "not exactly the way things really are") ~~the thing is not like what you think~~. Being a teacher is ~~my~~ a choice of my own. ~~Consequently~~. As such, ("Consequently" is too casual a word to use.) I ~~don't~~
