Is your goldfish lying in a corner of the tank, not feeding, or showing other distressing signs of illness? Do you want to help, but don't know how?

Now you can help your goldfish back to health, and help ensure it stays that way.

In this very thorough and easy-to-read book goldfish keeper and writer Elaine Rushmore explains how to:

- Correctly diagnose your fish's symptoms.
- Treat problems and their underlying causes.
- Prevent problems from recurring in the future.
- Protect your fish from stress.
