The screenshot shows the CardRecoveryPro website homepage. At the top left is the logo with an SD card icon and the text "CardRecoveryPro". To the right are a language dropdown set to "English", an "Intel Software Partner" logo, and a "VeriSign Trusted" logo. A navigation menu includes "Home", "Download", "Features", "Card Recovery", "Photo Recovery", "Screenshots", "Register", and "Support". The main banner features a "Since 2002" badge, a screenshot of the software interface showing a success message "Congratulations! 2 files recovered!", and the text "Professional SD Card Recovery Software Recover Lost or Deleted Photos in 3 Steps". Below this is a five-star rating and the text "WINNER OF OVER 100 5-STAR AWARDS", followed by a "Download Now" button. A secondary section titled "How to Recover Lost SD Card Files in 3 Simple Steps?" shows a three-step process: "Connect Device or Media" (with a camera and laptop icon), a magnifying glass icon with a plus sign, and "Recover Lost SD Card" (with a photo and checkmark icon). A red button with white text "Click Link Below" and arrows is positioned below the steps. At the bottom left, the text "Supported Cards" is partially visible.
