

Build Your Own Trailered Houseboat

Dream Building

One families adventures building
and cruising their own boat

Our Dream was to build a boat and vacation on it! Not just any boat. We wanted to build a boat that could be trailered, have room and amenities to live aboard during vacation and use as a camper along the way.

After looking at factory built boats it was plain to see that a family with children just did not have money for luxuries like a houseboat.

So, we built our boat right in our back yard and you can too! The hull is made of lumberyard materials and covered with vinyl as a craft that out performed factory built
