

# Black Book of Hotdog Stand

*Undoubtedly, one of the most powerful books written on the topic. Do not even think about starting up a hotdog stand until you have read this book.*

The Hot dog industry is a multi-billion dollar industry. Last year American hot dog vendors collectively earned more revenues than most countries in Asia, Africa and Europe. Hot dogs are in huge demand, with over 18 billion hot dogs sold every year in the US alone. This offers real job security. No doubt it is rightly called "recession free" business.

DON'T JUST SELL HOT DOGS. BE THE TOP DOG!

## WHAT IS THE BLACK BOOK OF HOTDOG STAND?

The Black book will show you the secrets to succeeding in the hot dog industry. It is the only book in the market which combines the real-world experiences of top hot dog vendors from Seattle, New York and Chicago. These vendors are street fighters who learned how to beat the competition. Knowledge helps you win battles and knowledge between making \$100 a day and average ge. It is not experience, but knowle er making \$3,750 on
