*Is your goldfish lying in a corner of the tank, not feeding, or showing other distressing signs of illness? Do you want to help, but don't know how?*

Now you can help your goldfish back to health, and help ensure it stays that way.

In this very thorough and easy-to-read book goldfish keeper and writer Elaine Rushmore explains how to:

- Correctly diagnose your fish's symptoms.
- Treat problems and their underlying causes.
- Prevent problems from recurring in the future.
- Protect your fish from stress.

By simplifying the best information available, "The Goldfish Doctor" makes professional advice available to you to use in your own home.
