Chapter I: Introduction

I.1. Why MagicBreakout?

Learn what makes the *MagicBreakout* strategy different and *magic*.

3

I.2. What is really a "breakout"?

Identify "good" breakouts and "false" breakouts. Good breakouts result in nice profits, but false breakouts turn back to losses. The next paragraph will reveal the secret why false breakouts more often occur and who is responsible for this phenomenon.

3

I.3. The secret behind false breakouts

Have you heard about the old famous *123-Pattern*? Have you ever tried it? Have you tried to trade the breakouts? Forget it. Let's explain the insider's secret why most traders lose money trying to catch the breakouts. Let's discover
