

Funding Opportunities Available for All United States Citizens

Each year billions of dollars are distributed to the general public through government, federal and private funding programs in the form of grants, low interest and no-interest loans. Unfortunately, many people don't even know these programs exist or don't have the resources or tools necessary to locate and apply for them.

That's why **FederalFundingPrograms.org (FFP)** was created, to help the many Americans who are not in the know, to quickly locate and apply for these funds for whatever needs they may have. Get started now in three easy steps! These funding sources and programs are now offering free grant money directly to individuals and businesses for all types of business ventures, education, medical bills, rent, home repair, home purchase down payment Money and many other personal needs! **Regardless of Your Present Financial Situation**. NONE of these Government Grants require collateral, credit checks, security deposits or co-signers. You can apply even if you have a Bankruptcy.

Apply Now to Receive Your Share of Free Money From These Exciting Government Grant Programs. Below are examples of the funding that's now available to you.
