

NOVEL WRITING MADE EASY

HOW TO PLAN A NOVEL SO IT PRACTICALLY WRITES ITSELF

Dare to be a great novelist...

"Yes, You Can Be The One In A Million Who Gets A Big Book Contract"

Discover the insider secrets you MUST know if you want to see your novel selling in bookstores across the country.

Just as a brilliant invention can turn a "nobody" into a successful millionaire, so can your story idea turn you into a successful book author. If you invest in your novel writing dream today, you'll enjoy the triumph of turning that dream into reality in the near future.

If you wait though...

Think about this: I once spoke to a writer who'd had an idea for a young adult series for many years. The idea was about a school for witches. Sound familiar to you? Does the name Harry Potter ring any bells?

This writer had her idea BEFORE J.K. Rowling's first Harry Potter novel sold. But this writer didn't get around to writing her novel. She wanted to learn but she put off investing the money into the books that could have taught her. Now she's bitter and discouraged.

True story.

You can be a successful novelist because the *Novel Writing Made Easy System* will reveal to you, in detail, a writing process that WORKS.
