Dear Future Love God,

Are you sick and tired of being single?

I know I was...

*It was November 2009 yet I remember it like it was yesterday I was once again laying on my bed alone playing World of Warcraft on a Friday night, eating Pizza. I would literally cry myself to sleep some nights... I was pathetic and because of this Lucy, who sat one Desk in front of me at work, started to give me advice. Things like "Adam you should dye you hair brown", "Adam you should stick up your hair" etc....*

I didn't know why at the time because  
*based on all the little tips she had g  
had slept with hundreds of women*
