

### 3 of the World's Most Popular Workouts That Will NEVER Transform Your Trouble Spots

(and ONE may actually KILL you)

Bruce & Janet Krahn

Did you know that the world's most popular exercise methods like Yoga, P90X and Crossfit do very little to transform your stubborn body parts (and may be causing your body more harm than good)? Its 100% true!

And in the short article below I am going to explain EXACTLY why these trendy methods may be making your trouble spots look thicker and fatter - not better.

My wife Janet (Holistic Nutritionist for over 10 years now) and I have been researching and applying these unique exercise and nutrition methods with hundreds of our clients around the world.

Now it's YOUR turn.

if you truly want to **target, sculpt, and develop your problem areas**, make sure you're NOT falling for the misleading workout advice below...
