RE: Your Tax Bill and the Internet Marketing Tax Guide

Dear Domainer and Internet Marketer,

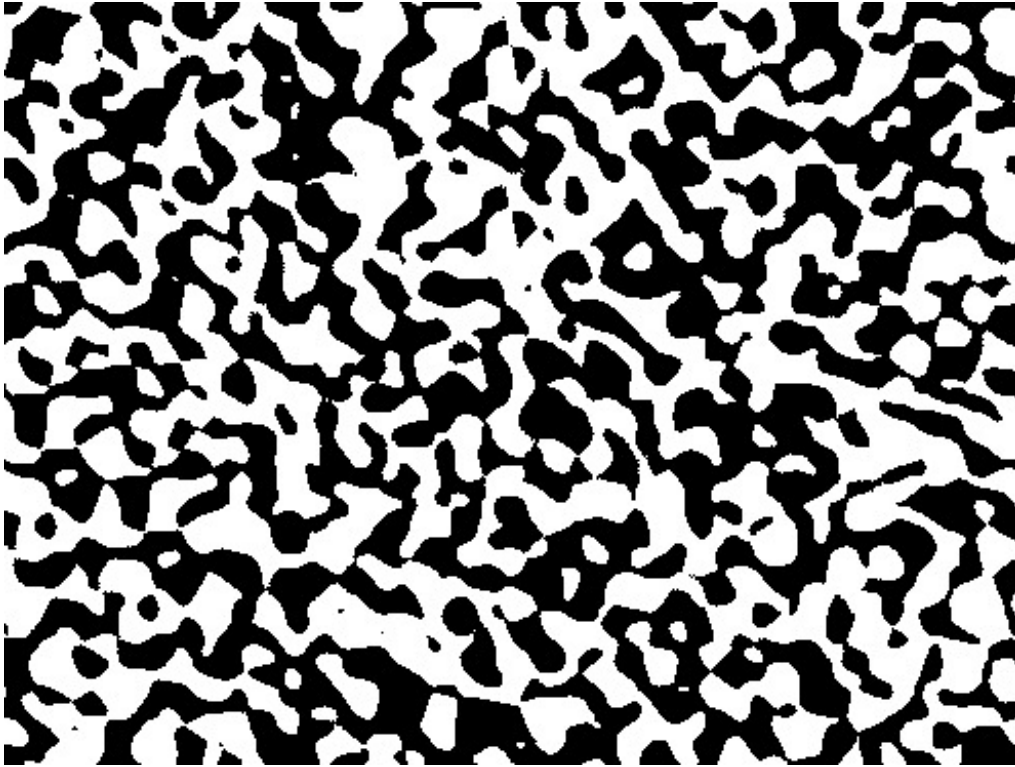

Let's be honest, taxes, accounting, and bookkeeping probably just are not what excite you... But it doesn't need to scare you either! Armed with a little knowledge (written in plain simple language) you can learn the strategies to, most importantly, not get hit with an unnecessary huge tax bill.

I am a university professor who teaches accounting and economics, which means it is my job help people learn about topics they really don't want to. My extensive consulting practice also means that

I get called in **↓ Click Link Below ↓** situations."

So unlike many of the "part-time" tax profes ed a two-day tax school in the fall - I live
